BULLETIN BOARD FRAME

FRAME

Design

The FRAME profiles and accessories range allows the realisation of made-to-measure bulletin boards. Profile sections from 32 to 55 mm are fit to meet all the requirements of lighting, dimensions and presentation. The system is completed with a variety of door options: sliding doors, pivoted doors, hinged aluminium doors (SOFADI exclusivity).

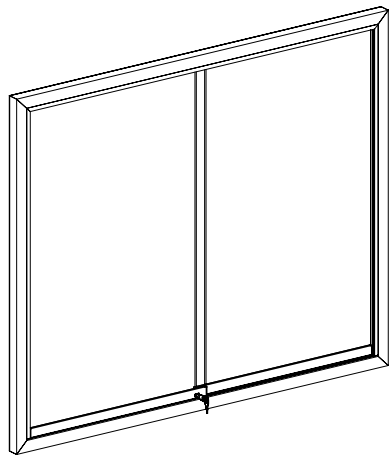

Material/Finish

The profiles are made of an aluminium alloy allowing (silver or gold, bright or satin) anodized and powdercoated finish.

	Material	Finish
	Aluminium	AS: Satin silver anodized O3P: Bright gold no. 3 anodized
	Zamak	CH: Chromium plated LTN: Brass
