FLOOR-TO-WALL LOOK100

# LOOK 100

## Design

This floor-to-wall system offers the professionals perfectly adapted solutions for wall furniture, especially for the ready-to-wear branch. It consists of 2- or 4-sided, single- or double-slot 30 x 30 mm posts. Two fixing systems allow to fit the posts either close to the wall, with front-fixed accessories, or offset from the wall, with accessories fixed between posts. A choice of modern-style accessories meets all the requirements of ready-to-wear and heavy products markets. The LOOK 100 range is compatible with all the SOFADI steel systems.

## Material/Finish

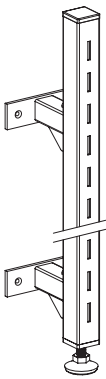

The LOOK 100 steel channels and accessories are available in white and grey lacquered finish. Special finish is also possible. Clothes rails and arms are chromium plated.

	Material	Finish
	Steel	White lacquered Grey lacquered
	Steel	White lacquered Grey lacquered
