SELF-STANDING WALL & CENTRE-FLOOR LOOK100

LOOK 100

Design

This self-standing system offers the professionals simple and polyvalent solutions for wall and centre-floor furniture, especially for the ready-to-wear branch. It is very simple and doesn't require any tools for the structure assembly. A wide choice of single- and double-slotted posts allows the realisation of full-height wall furniture, or low, single- or double faced furniture for centre-floor installation. It is completed with a choice of modern-style accessories allowing partial or total cladding of wall or central structures. The LOOK 100 range is compatible with all the SOFADI steel systems.

Material/Finish

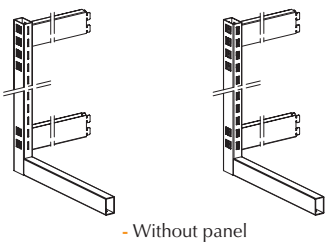

The LOOK 100 steel channels and accessories are available in white and grey lacquered finish. Special finish is also possible. Clothes rails and arms are chromium plated.

	Material	Finish
	Steel	White lacquered Grey lacquered
	Steel	White lacquered Grey lacquered

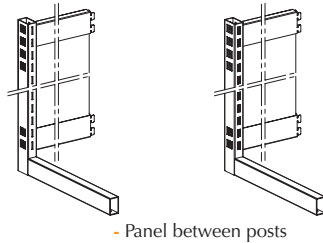

APPLICATION

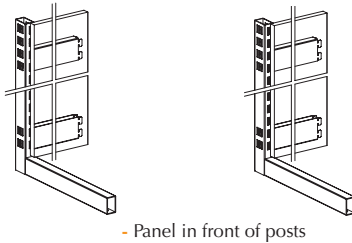

• Self-standing L, single and double slot

- Without panel

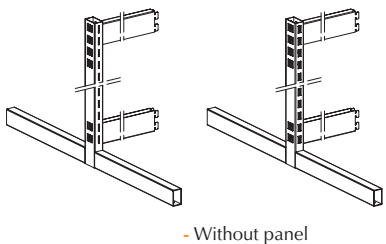

- Panel between posts

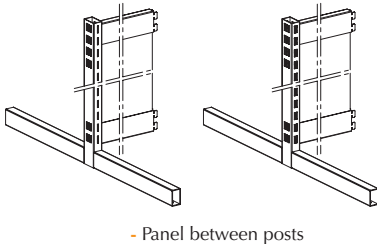

- Panel in front of posts

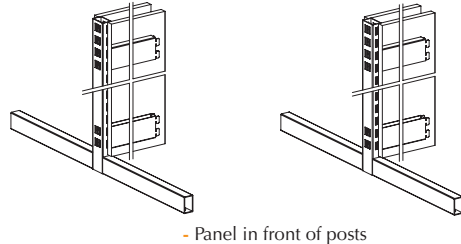

• Self-standing T, single and double slot

- Without panel

- Panel between posts

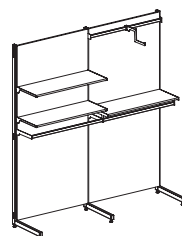

- Panel in front of posts

MERCHANDISING

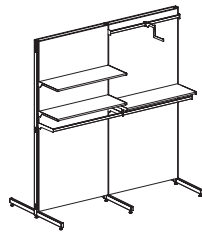

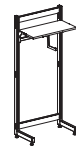

Light Medium Heavy
