SHOWCASE
CUBE
26 & 32

CUBE 26 & 32

Design

The CUBE profiles and accessories range allows the realisation of made-to-measure showcases. Profile sections of 26 or 32 mm in three different shapes and two assembly methods (corner connectors or grips) give the designer a total freedom to conceive any model of tower, counter or cupboard. The system is completed with a variety of door options: sliding doors, pivoted doors, hinged aluminium doors (SOFADI exclusivity).

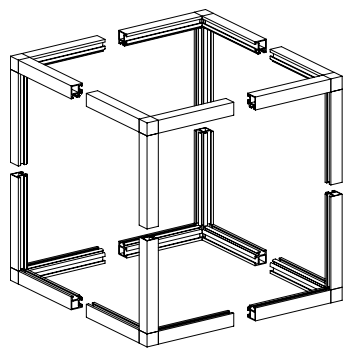

Material/Finish

The profiles are made of an aluminium alloy allowing not only (silver or gold, bright or satin) anodized and powdercoated finish, but also the exclusive SOFADI wood grain finish.

	Material	Finish
	Aluminium	AS: Satin silver anodized O3P: Bright gold no. 3 anodized
	Zamak	CH: Chromium plated LTN: Brass

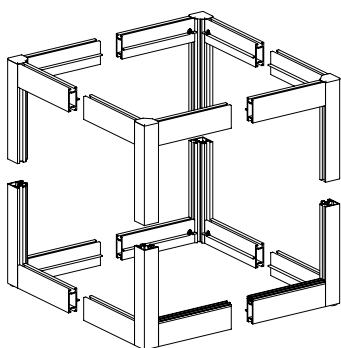

TYPE

- A Type – 8 corner connectors

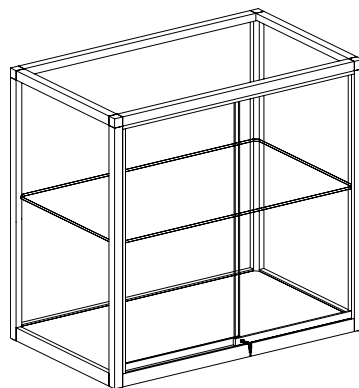

- B Type – 4 corner connectors / 4 grip-fixed transoms

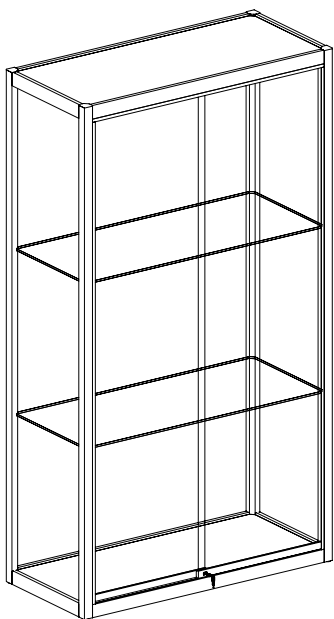

- C Type – 8 grip-fixed transoms

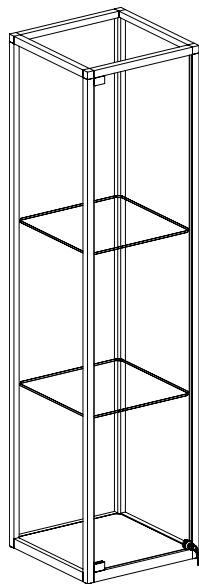

MERCHANDISING

- Counter

- Cupboard

- Tower
