SQUARE
CLASSIC 200

SQUARE CLASSIC 200

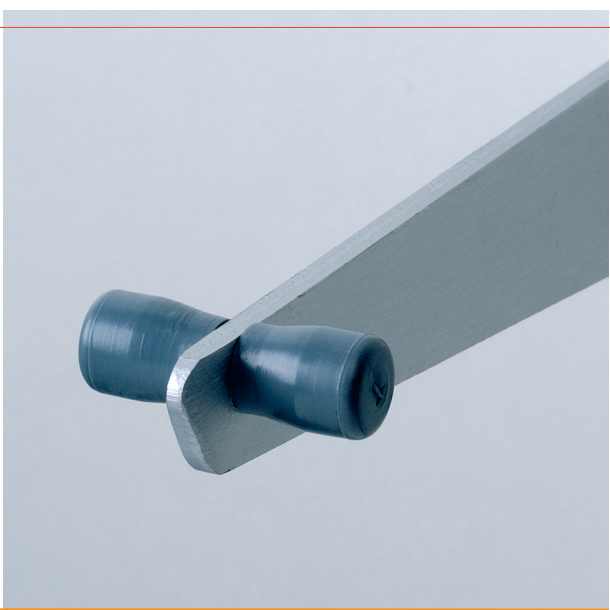

Design

The SQUARE CLASSIC 200 range is particularly fit for the market of light standing products, such as pharmaceuticals, parapharmacy, perfumery or cosmetics. The sunk or surface-mounted channel with a standard 50-mm pitch accepts a wide choice of brackets for wooden or glass shelves.

Material/Finish

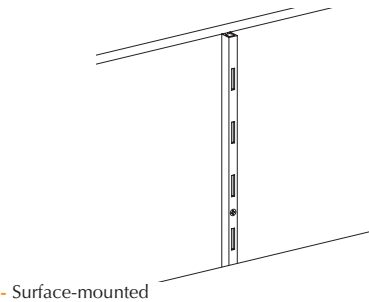

Slot channels and brackets are made of an aluminium alloy allowing (silver or golden) anodized finish.

	Material	Finish
	Aluminium	AS: Satin silver anodized O2P: Bright gold no. 2 anodized
	Aluminium	AS: Satin silver anodized O2P: Bright gold no. 2 anodized
