SQUARE
CLASSIC 300

SQUARE CLASSIC 300

Design

The SQUARE CLASSIC 300 range is particularly fit for the Horeca sector (equipment of bars, restaurants, caterers', confectioners') and the fitting of shop windows.

All types of fitting and merchandising are possible, thanks to a wide choice of slot channels with a compact 36.5-mm pitch. The concept of cast aluminium brackets and grip brackets with their look of brass accessories gives the installations a classic touch

Material/Finish

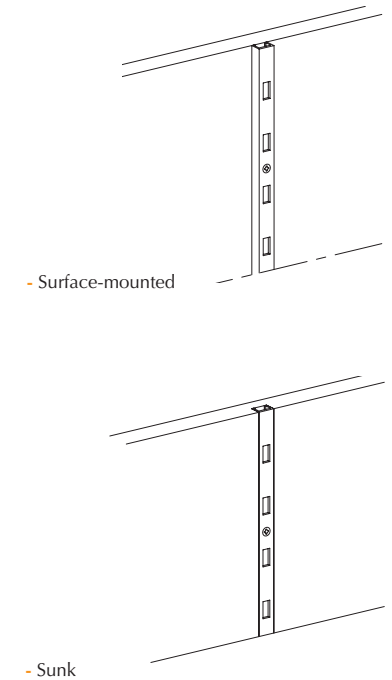

The brackets are made of alloys allowing various finish: satin chromium plated, powdercoated, (silver or golden) anodized.

	Material	Finish
	Aluminium	AS: Satin silver anodized O2P: Bright gold no. 2 anodized
	Aluminium	AS: Satin silver anodized O2P: Bright gold no. 2 anodized
	Zamak	CHS: Satin chromium plated O2L: Gold no. 2 powdercoated
